# Dementia Education Workshop

*Person-Centered Approach to Care*

Sharing **best practices** with Primary Care Providers and Professional Healthcare Clinicians to identify and manage all stages and types of dementia. Providing **actionable strategies** to enhance quality of life for people living with the disease and support the well-being of their care partners.

Session 1: **Dementia Moments Simulation & Decoding Behaviors in Dementia**

Session 2: **The Good, the Bad, and the Agitating**

Session 3: **What Every Provider Needs to Know**

## Presenters:

**Maribeth Gallagher, DNP, PMHNP-BC, FAAN** (Sessions 1 & 3)

Maribeth is a board-certified psychiatric nurse practitioner with a doctoral degree in Nursing. She serves as director of Hospice of the Valley's award-winning Dementia Program, which has earned national and international distinction. Her commitment to improving dementia care was inspired by her own experiences as a family caregiver, sharing the journey with her loved one with dementia from diagnosis to death.

**Matthew Skinner, MD** (Session 2)

Dr. Matthew Skinner is a board-certified internist and geriatrician. He serves as medical director for Hospice of the Valley's innovative Dementia Care and Education Campus and its Dementia Hospice Inpatient Care Home. He is passionate about working with our geriatric population and, in particular, providing compassionate dementia care through the late stages of the disease.
